Judy
David

Meeting begins – 4:07

Agenda:

Grant Update: EEF – Stephanie

- \$2000 – Artist in Residence – with a possible focus on science themes
- \$500 – Math and Science Night
- \$500 – School Garden Project

CAP & School Goals Overview & Update - Cassidy

- Task Remaining – create “spark” and “school climate team”
 - maps of meaningful places, video presentations of hobbies/what “sparks” us, create a story of our diverse community
- Task Remaining – grade level teams draft plan for collaboration
 - currently grades 2, 3 & 4 are participating in PLC
- Task Remaining – K-2 master schedule for T2 coordinating classroom/facilitating teacher/title
 - currently in progress
- Task Remaining – Use of local assessments in conjunction with EasyCBM to inform instruction & intervention

Survey for Family Involvement – David

- Sifting through events to find those that are meaningful and draw attendance
 - Not putting our efforts into events that families are not interested in
- Use survey monkey, keep it short and sweet, provide an incentive for the class with most responses

PTO Financial Update – Judy

- Jog-A-Thon: made more money this year! Up about \$2K
- Balance: \$54K – bringing in about \$16K per year – Staff Requests currently = approx. \$12K this year
- Reader Board is the big “dream” purchase - \$10Kish

Meeting Adjourned: 5:13
