

Site Council Minutes March 1, 2017

Bookfair

- Need more people during the day, especially just being in the room to keep an eye on the kids.
- Maybe have one parent from each class volunteer? (Parents would need to have a background check done.)
- Classes could come in during their library time and shop then.
- Willamette Oaks to come and be an extra body.
- Money lessons in the class before? Many students came with a bag of money but didn't know how much they had and what that would buy.
- Title dollars can be used to purchase books for students whose families cannot purchase books.

Popcorn Friday
